

Child Evangelism Fellowship - Specialized Book Ministry

PO Box 308, LISBURN, BT28 2YS, N Ireland, UK

One of our goals is to seek to help children's workers in many lands where English is not the national language. Over the years thousands of books have been made available in over 50 languages. God has used this foreign language programme to encourage and instruct those reaching children - even in remote areas. In a continuing programme we list here some of our current projects. We ask that you join with us in praying for God's provision for each project.
